

# Health Force

HealthForce is a FREE app for smartphones or tablet computers.

The free HealthForce app allows viewers to experience a magic mirror effect while accessing an overlay of digital information on posters with force fields.

Posters with force fields contain narration, animated videos or other content designed to provide the viewer with interactive access.

Posters with force fields providing uniquely blended interactive access to content. The addition of contextual information allows the viewer to gain a deeper understanding of the learning object (s).

- Download the free **HealthForce** app.
- Available on the App Store or get it on Google Play

 Available on the  
**App Store**

ANDROID APP ON  
 **Google play**

- Open the **HealthForce** app.
- Point the smart phone or tablet viewfinder at the poster displayed on the left.

Hold the device steady, and once the force field plays, tap it twice for full screen view.
